New York State Test Preparations (3rd Grade -5th Grade)

Through the close relationship built between our professionals and caring parents, **ISTEIN Education** has worked hard to provide all their students an easier pathway to success, while minimizing state testing anxiety. We have gathered skilled teaching professionals to help students to gain more information and better prepare for the New York State tests in each major subject (ELA, Math and Science for middle schools). For each subject, our teachers provide students with:

- ✓ **Well-planned lessons**
- ✓ **Updated practice activities**
- ✓ **Proper amounts of student-oriented work**
- ✓ **Interactive learning games and individual consultations according to each student learning situations.**

It is our obligation to ensure that our preparation is seamlessly integrated with the New York State tests so that our students are all fully prepared when their examination time comes. Our experienced teaching professionals always respond with great enthusiasm in our personal classroom environments where the focus is on learning and enrichment instead of just "teaching to the test." Also, our flexible class schedules are fully designed for the convenience of the students and their families in order to have an enjoyable learning experience for everyone.

Little Winner

Reading, Writing, Math Enrichment (Kindergarten, 1st and 2nd Grade)

Reading and writing should be an enjoyable experience for your child, not a source of frustration and disappointment, especially when your child has only just started their fun, learning journey.

At **ISTEIN Education**, our reading and writing programs, which are carefully structured by our learning professionals, help your child enhance both their skills and their self-confidence towards meeting and exceeding grade-level standards. We really get to understand your child and your child's interests, so that we may provide a personalized program that uniquely helps your child become a confident reader and writer. We are also using a well-balanced phonics and whole language based approach; as well as grade appropriate, individualized reading and writing tutoring sessions. Our students regularly participate in activities designed to improve their decoding, vocabulary, and literal and inferential comprehension skills. Individualized attention to each child's specific needs is heavily emphasized. Class sizes average between 6 and 10 students. Diagnostic tests are administered on the first day of class to help determine proper placement of students based upon their skill level and age. Program recommendations by a student's reading teacher are also be carefully considered. Our Reading/Writing Learning Enrichment program enhances a child's natural curiosity, and engages them in exploratory learning that leads them towards skills mastery.

我们又有新科目啦!

州考小行家--州考加强班 (针对3至5年级学生)

在众多家长和学生的强烈呼声中,爱思坦教育中心开启了各位同学通往州考成功的新坦途。我们有幸邀请到公立中小学在职资深教师为各个州考学科提供全方位多角度的信息咨询和辅导(英文,数学,中学的科学项目)。我们的课程包括:

- 州考最新的题型解释剖析
- 最接近真题的练习材料
- 最贴合各个学生本身需要的学科技巧分析

最重要的是我们的教育材料与州考无缝衔接,因此,所有爱思坦教育中心的学员们都能够面对州考的时候有最镇定的心理素质和最稳定超常的发挥。在此基础上,我们的资深教育专家们也都会以“学”为中心,而非仅仅是“考”,灵活运用所学是我们对教学的最终追求。此外,我们的课程时间设计也极其人性化(周一至周五课后班项目,周六或周日强化训练)。

小小领航者:阅读,写作,数学强化训练 (针对学前班 Kindergarten-2 年级学生)

阅读和写作应该是一项愉快的充满享受的过程,而不是成为孩子们的心头恨,家长们的惆怅源。现在,如果您和孩子有这方面的烦恼我们爱思坦教育中心为您想出了一个完美的解决之道。我们新开启的“小小领航者”阅读,写作(数学-视需要)强化训练项目将毫无疑问的让您的孩子不但在同班甚至同级人当中成为佼佼者,更为他们以后成长为一个自信,文雅的领导者打下不可或缺的基础。爱思坦教育特邀各个公立中小学资深幼儿教育老师,培养和指导我们的小学员提高巩固阅读和写作技能(数学技能视所需),旨在帮助学员们达到或超过年级应有阅读和写作水平,从而重新建立或提高自信,帮助建立良好阅读习和阅读兴趣。我们所运用的“语音语法”教学法更是在世界范围内广泛被运用于中低龄英语学习者。小班教学也是我们所极其提倡的。在各位学员分班之前我们会对每位学生进行简单的测试以此来更好的配合和了解每位学生的需要。
